Dear Sir:

I do not accept this bankruptcy solution. This is not the generally accepted distribution of assets in bankruptcy and I consider it illegal and criminal. As a preferred creditor my holdings should come before those of the US government and the unions.

Attached is the confirmation of my purchase of the 5,000 shares of GM Global Notes held in Account No. 3771-1318 held by Wachovia Securities.

Very truly yours,

Sandra Stevens Goodale
